

# 19 layouts to choose from..

With two lovingly adapted listed buildings as well as Pepperpot House on the same site this development offers a wide choice of layouts to pick from.

But no matter which style you choose, there are some things that all our dwellings share – thoughtful design, beautiful finishes and a totally self-contained, independent lifestyle.

On these pages we're only showing some of the more common layouts available.

## Typical One-Bedroom Layout Internal areas\*: 57.1-64.3sqm / 619-692sqft

Please note: Layouts vary. Check individual plans for room sizes and arrangement. These drawings are intended to give a general indication of the proposed layout only. Layouts and dimensions are not intended to form part of any contract or warranty. Apartments are let unfurnished.
